\$ Financial Counseling \$

If you are struggling to pay your bills start with calls to your creditors. Document all calls with dates, who you spoke to and what you spoke about. It is always a good idea to follow up with an email to have it in writing. This will be critical moving forward when looking at repairing credit and security clearances. Specifically make sure you tell them you are directly impacted by COVID-19.

The following are **FREE and CONFIDENTIAL** financial planners provided by OSD. You can call, email or set up telephonic counseling.

Up to two weeks (80 hours, or a part-time employee's two-week equivalent) of paid sick leave based on the higher of their regular rate of pay, or the applicable state or Federal minimum wage, paid at:

- 100% for qualifying reasons #1-3 below, up to \$511 daily and \$5,110 total; and
- ⅔ for qualifying reasons #4 and 6 below, up to \$200 daily and \$2,000 total.

Federal employees including those not covered under Title I of the FMLA can receive either ⅓ of the higher of their regular rate of pay, or the applicable state or Federal minimum wage for the two-week period for qualifying reason #5 below. However, for leave under qualifying reason #5, Federal employees covered under Title I of the FMLA can receive 10 additional weeks of expanded family and medical leave for reason #5 below, up to \$200 daily and \$12,000 total.

A part-time employee is eligible for leave for the number of hours that the employee is normally scheduled to work over that period.

▶ ELIGIBLE EMPLOYEES

All Federal employees are eligible for up to two weeks of fully or partially paid sick leave for COVID-19 related reasons (see below).

Federal employees who are covered under Title I of the FMLA and have been employed for at least 30 days prior to their leave request are eligible for up to an additional 10 weeks of partially paid expanded family and medical leave for reason #5 below.

Most federal employees are not covered under Title I of the FMLA and so would not be eligible for partially paid expanded family and medical leave. Please consult with your agency to determine whether you are covered under Title I of the FMLA. The Office of Personnel and Management will issue guidance on this question.

▶ QUALIFYING REASONS FOR LEAVE RELATED TO COVID-19

A Federal employee is entitled to take leave related to COVID-19 if the employee is unable to work, including unable to telework, because the employee:

- | | |
|--|--|
| <ol style="list-style-type: none"> 1. is subject to a Federal, State, or local quarantine or isolation order related to COVID-19; 2. has been advised by a health care provider to self-quarantine related to COVID-19; 3. is experiencing COVID-19 symptoms and is seeking a medical diagnosis; 4. is caring for an individual subject to an order described in (1) or self-quarantine as described in (2); | <ol style="list-style-type: none"> 5. is caring for his or her child whose school or place of care is closed (or child care provider is unavailable) due to COVID-19 related reasons; or 6. is experiencing any other substantially-similar condition specified by the U.S. Department of Health and Human Services. |
|--|--|

▶ ENFORCEMENT

The U.S. Department of Labor's Wage and Hour Division (WHD) has the authority to investigate and enforce compliance with the FFCRA for Federal employers covered under Title I of the FMLA. Employers may not discharge, discipline, or otherwise discriminate against any employee who lawfully takes paid sick leave or expanded family and medical leave under the FFCRA, files a complaint, or institutes a proceeding under or related to this Act. Federal employers covered under Title I of the FMLA in violation of the provisions of the FFCRA will be subject to penalties and enforcement by WHD.
